

Carlson Dr., Hugh A. 'Hac' Carlson
EM1(SS) B 68-72

On August 22nd Hugh (HAC) Carlson departed on Eternal Patrol.

He will be greatly missed by his wife Sara Colman Carlson, daughters Kimberly Crawford Wee and Shannon Carlson and the love of his life his grandson Maddox.

HAC loved all his friends even when he argued with them. He loved the Patriots, the Red Sox, the Navy, fast cars, being the life of the party and especially Saturday morning visits with Maddox.

Due to COVID and all the hell 2020 has brought, his memorial will need to be postponed to 2021. Don't worry he'll get the sendoff he deserves with military honors and a celebration of life next August at the Miramar National Cemetery in San Diego, CA.

With Love,

The Carlson Family(Sara Kim, Shannon, Maddox, Boon, Patty)
