

Stephen Francis Rust
MT1(SS) Blue / SY1
Eternal Patrol January 4, 1989
November 20, 1948 – January 4, 1989

From Denny McFadden, MT2(SS) B 69-71

I have been trying to find the whereabouts of an MT who was in my division for the 5 patrols I was on the 655B. I found him, Stephen Rust. I believe he went to the overhaul after our last patrol, late 1971. Unfortunately, Steve was killed in a car accident in Hartford, CT on January 4, 1989. He was born and raised in Rocky Hill, CT. He became "Artistic Director" of a theatre company in Hartford, "Company One". Steve and I were in MT-C school together and both got orders to the 655B. Our last 2 patrols he was MT Div LPO, MT2(SS), 1 month senior to me.
