

Commanding Officer  
USS Henry C. Stimson  
SSBN-655

18 June 1977  
At Sea

Dear Mrs. Baisley,

It was recently my pleasure to award your husband, Arthur, the "dolphins" which signify that he is Qualified in Submarines. As you probably know, this designation is respected and coveted both in the Submarine Service and in the Navy at large, coming as it does after the successful completion of a long program of study, training, learning and experience.

The very backbone of any spirited and effective submarine crew is that group of trained and knowledgeable men who are designated "Qualified in Submarines". I trust that you share the pleasure and pride that the crew and I feel in your husband having earned his "dolphins".

  
G. E. BELL

USS HENRY L. STIMSON (SSBN655)  
QUALIFICATION CARD

MT3
