It is with a shattered heart that we announce our [Evan Psomas](#) has passed peacefully surrounded by family and friends yesterday. With the same strength and spirit we know him for, he bravely fought the cancer for the last three months. We are strengthened by the knowledge that he didn't have to suffer so long. Cheers to an amazing husband, father, brother, and the best friend anyone could have. Forever and ever plus one.

We lost one of our brothers today. Rest in peace. A- Ganger Blue Crew from the '80s Evan "Squally" Psomas
